

The Mission of the Leadership Sandusky County Alumni Association is to provide support for the Leadership Sandusky County program, foster leadership through education and community service, and to maintain an avenue for networking.

Dear Leadership Sandusky County Graduate:

Over the past thirty years Leadership Sandusky County has served Sandusky County in aiding the development of over 500 community leaders. These leaders have volunteered their time and efforts to hundreds of community-based organizations, and serve in key roles on non-profit and for-profit boards throughout the county. The Board of Trustees is now offering you an opportunity to join the Alumni Association whereby we can further carry out our mission through membership.

The Leadership Sandusky County Board Run Alumni group would like to add your name to their membership roster. The annual dues, for July 1, 2020 through June 30, 2021 are just \$25. As a member of LSCAA, you will receive special invitations for events along with supporting the continuation of this great community program.

We are extremely excited this year to be offering leadership sessions by Dr. Kitty Brandal. There will be a minimum of 3 remote sessions that you will be open to attend along with other class sessions & events throughout the year.

Please return this form and your check made payable to: Leadership Sandusky County, PO Box 744, Fremont, 43420. Please join today!

I would like to be a 2020-21 LSCAA member by paying the yearly dues of \$25.
