

"To provide a learning experience that encourages successful community leadership"

ANNUAL SPONSORSHIP DRIVE

July 1, 2020

Dear Community Leader:

As we embark on our 30th year, Leadership Sandusky County is proud to have graduated over 600 adults and almost 300 youth participants from the program. Many of these graduates have become established community leaders. The financial support received from our business community and colleagues has been very important and vital to the organization, as we continue to implement our vision: Committed to developing leaders who will improve the quality of life in Sandusky County.

Over the last few years the classes reached out into the community and supported projects for the Liberty Center, the Children's Services Foster Care Program and this year we are working to provide Buddy Benches for all of the elementary schools in Sandusky County. We are proud of their amazing accomplishments and the help that LSC gives to encourage improving the communities we work and live in.

This past year we also implemented a Scholarship program. We awarded scholarships to 5 graduating HS Seniors who demonstrated leadership/volunteerism abilities throughout Sandusky County both in 2019 & 2020. Total award was \$5,000. This coming year, 2021, will be the 3rd year for this scholarship. This is all due to the growth in the program year over year which is largely attributed to great sponsors like you.

In an effort to eliminate solicitations to you throughout the year, we are offering different levels of sponsorships for you to consider.

Enclosed with this letter:

- Brochure on program information
- Sponsorship form
- Past Class Projects

Please complete the ***Sponsorship Form with your check***, made payable to Leadership Sandusky County. Please send to LSC, P.O. Box 744, Fremont, OH 43420.

Our goal is to have all sponsorships for the 2020-2021 year received by **November 1st 2020**.

Thank you for your consideration. Your support is most appreciated!

Respectfully,

Kerri Pollock, Director
