

"To provide a learning experience that encourages successful community leadership"

ANNUAL SPONSORSHIP DRIVE

May 2022

Dear Community Leader:

As we embark on our 32nd year, Leadership Sandusky County is proud to have graduated over 600 adults and almost 300 youth participants from the program. The financial support received from our business community and colleagues has been very important and vital, as we continue to implement our vision: Committed to developing leaders who will improve the quality of life in Sandusky County.

Over the years, the classes have engaged in and supported numerous projects throughout Sandusky County. We are proud of all the amazing accomplishments and the help that LSC gives to encourage the improvement in our County - where we work and live. Most recently, the classes volunteered over 300 hours of community service.

The Scholarship program which provides \$500 scholarships to High School Seniors who have demonstrated their leadership and volunteerism efforts continues with your support as well.

Keeping with the Annual Sponsorship level format instilled years ago by our Board, please find this year's Commitment form enclosed. This will eliminate solicitations to you throughout the year. Please complete the ***Sponsorship Form enclosed, with your check***, made payable to Leadership Sandusky County and send to LSC, P.O. Box 744, Fremont, OH 43420.

Our goal is to have all sponsorships for the 2022-2023 year received by **August 1st, 2022**.

Thank you for your consideration. Your support is most appreciated!

Respectfully,

Trisha Foos, Chair
